## EDUCATION

---

### UNIVERSITY OF CALIFORNIA, BERKELEY

Major in Computer Science

Berkeley, CA

Expected May 2029

## EXPERIENCE & LEADERSHIP

---

### WEB DEVELOPER & PROJECT MANAGER

Freelance

Remote

May 2024 – Present

- Designed detailed wireframes on Figma and polished mockups in Photoshop to ensure seamless user experience
- Built websites using Webflow & WordPress, including integrations for online ordering systems that boosted client revenue
- Proactively reached out to 12+ local businesses, identifying their web needs and successfully increasing one client's website traffic by ~200% (968 to 1,423 sessions/month)
- Wrote comprehensive project documentation and provided ongoing client support for website updates and maintenance

### GRAPHIC DESIGN INTERN

SparkPrintz

Remote

Jul 2024 – Present

- Conducted brand identity analysis and created a full brand book and training slide deck for new interns and staff, standardizing visual communication
- Redesigned company presentations and audited the website, improving user engagement and overall aesthetics
- Led social media content revamp; increased Instagram post shares from 1 to 21 on first campaign, helping raise over \$6,000
- Networked with 41 organizations to expand partnerships and collaborated with 8 team members, synthesizing business articles to apply marketing insights

### PEER TUTOR

Mark Keppel HS

Alhambra, CA

Aug 2021 – May 2025

- Tutored peers in web design, computer programming, and more, adapting teaching strategies to individual learning styles
- Managed an online Discord server with 80+ students, fostering a supportive study community and resource sharing
- Compiled and typed 146 pages of physics notes and 309 pages of transcripts, plus supplemental online resources, supporting test prep and concept mastery

### PRESIDENT

Mark Keppel HS SkillsUSA

Alhambra, CA

Aug 2022 – May 2025

- Organized and managed 32 volunteer events and 19 fundraising campaigns, raising \$2,125+ for club activities

### PRESIDENT

Mark Keppel HS Art Club

Alhambra, CA

Aug 2021 – May 2025

- Created and moderated an online art server with 135+ members, encouraging peer feedback and portfolio development through regular challenges and critiques
